

Publishing in Wiley Chemistry Journals – How to Maximize Your Success (by Taking a Closer Look at Editorial Processes)

Richard J. Smith

Wiley-VHCA, Seefeldstrasse 69, CH-8024 Zürich
rismith@wiley.com

In the first part an overview of three journals (Helvetica Chimica Acta, ChemCatChem and ChemElectroChem) will be given. In the second part guidance is given to prepare a manuscript ready for submission and the third part focuses on the submission and the editorial processes. The take-home message is: Keep it short and simple.
